

# EMERGING LIFE SCIENCES SHOWCASE

Previewing the  
Next Wave in  
Michigan  
Life Science  
Companies

May 14, 2007

2:00—7:30pm

University of Michigan Union  
530 South State Street  
Ann Arbor, MI 48109

Please RSVP by contacting  
LeAnn Auer at  
734-223-3750  
or email at  
[lauer@michiganvca.org](mailto:lauer@michiganvca.org).

Please join us to learn more about the Michigan Life Science community and meet the people behind the growth. A cocktail reception will immediately follow the presentations, allowing for a great opportunity to mix and mingle with CEOs, VCs, and other supporters of Michigan's Life Science industry.

## Showcase Features

2:00-5:30pm

Roger Newton, Senior Vice-President, Pfizer; co-founder of Esperion Therapeutics, presents  
*"The Michigan Life Science Landscape"*

Success Stories and Presentations from  
Follow-on Financing Companies

Presentations from emerging start-ups

5:30-7:30pm

Cocktail Reception

For those interested, the 26th Annual Michigan Growth Capital Symposium takes place on May 15-16, 2007. For more information on the event, please visit [www.MichiganGCS.com](http://www.MichiganGCS.com)
